Chennai, Hyderabad, Visakhapatnam, Coimbatore

Dear Friends,

On behalf of MOHAN Foundation and National Association of Transplant Coordinators, we take immense pleasure and privilege to invite you to the Annual Transplant Coordinators Workshop 2010. The theme of this workshop is "Learn, Share and Cherish".

As the cadre of Transplant Coordinators is ever growing, this workshop offers a platform to everyone of you to Learn the latest in deceased organ donation, helps you Share with committed professionals your successes and challenges, and to Cherish that you are indeed part of a wonderful cause where each one of us is committed to "Gifting Life".

A very warm welcome to all of you for the two day workshop. Please mark your calendar and be with us on 20th and 21st August 2010. The pleasant weather in August at Hyderabad offers the right atmosphere to relax, learn and take back pleasant memories.

|---------------------|-----------------------|-----------------------|
| Dr. Georgi Abraham  | Dr. Subhash Gupta     | Dr. Sethu Babu        |
| Dr. Gita Nath       | Dr. Amalorpavanathan  | Dr. Krishnam Raju     |
| Dr. Manimala Rao    | Dr. Vatsala Trivedi   | Dr. MV Rao            |
| Dr. S Sahariah      | Dr. K Ravindranath    | Dr. Rajendra Prasad   |
| Dr. KS Nayak        | Dr. Aarti Vij         | Dr. Dakshinamurthy    |
| Dr. Dharmesh Kapoor | Dr. Ramesh Shenoy     | Dr. Anuradha          |
| Dr. Mohamed Rela    | Dr. Sujata Patwardhan | Dr. Subba Rao         |
| Dr. B Somaraju      | Dr. Sandeep Guleria   | Dr. Somasekhar        |
| Dr. Narayan Reddy   | Dr. AB Soin           | Dr. M Subrahmaniam    |
| Dr. Ramesh          | Dr. V Jha             | Dr. PBN Gopal         |
| Dr. P. Modi         | Ms. Sujata Ashtekar   | MOHAN Foundation team |

### **MOHAN Foundation (Multi Organ Harvesting Aid Network) is conducting training programmes in transplant coordination and grief counselling – a first in South Asia.**

Multi Organ Harvesting Aid Network based in Chennai, Hyderabad, Vizag and Coimbatore is organising one week, one month, three month and six month training programmes in the specialised area of transplant coordination. Graduates in Sciences, social work, hospital management, medical psychology, sociology, nursing, physiotherapy, besides nursing and medicine are eligible to apply. In addition, graduates in any field with good communication skills and an interest in the area of organ donation can do the course. The programme involves training in counselling families of “brain dead” patients to donate organs and coordinating the entire process of organ donation, retrieval and transplantation. The candidates are trained in all aspects of counselling with intense one-on-one role play by experienced Transplant Coordinators from across the country. At the end of the course, every successful participant will be in a position to create a roadmap for initiating an organ donation programme in his or her hospital/city/region and work as the key resource person to spearhead transplant-related activities.

Placement opportunities will be provided wherever possible. The Government of India in its recent gazette titled THE TRANSPLANTATION OF HUMAN ORGANS RULES, 1995 (GSR NO. 51(E), dt. 4-2-1995) [As amended vide GSR 571(E), dt. 31-7-2008] has made transplant coordinator nomination mandatory before a hospital is registered as a transplant hospital. This would mean that the 300 hospitals applying for renewal of license would need to have a trained transplant coordinator in place. More information on the courses, application form, faculty list and alumni can be had by visiting the Foundation website at <http://courses.mohanfoundation.org>

*The programme is supported by the Navajbai Ratan Tata Trust.*
