Dear Dr. Hemal,

Thank you for speaking to EY employees yesterday evening. We are grateful for the time and effort you took to share your thoughts and experiences with the EY office.

Please accept our sincere appreciation for the outstanding presentation you made to the EY about Organ Donation. It was very informative to hear about the stats and law aspects of Organ donation. The slides you showed gave us a close look of what is Organ donation, brain dead person and the false assumptions of the people that we couldn't have gained in any other way. Thank you so much for sharing your time and experiences with us. We all agreed that your presentation was the most informative one which we have had this year.

Thanks & Regards,
Karuna Devi.P.R
