Hello Mareena and Jyoti ,

We have received some very positive feedback from our colleagues who attended the workshop.

Michelin India appreciates the efforts of your foundation. And would look to hold a similar session in our Chennai plant soon. I will get back with the details on that soon.

Please share the pictures that you clicked. Along, with a basic summary of the presentation that we can share with people who were not able to attend the session.

Thanks and Regards,

Raghav Madan
