Good evening Dr. Hemal,

Firstly, our heartfelt gratitude for your kind presentation during our wedding on 6th November 2016. My apologies too for the delayed response.

We would like to do something for the organisation and for the cause from our side. In this regards, we plan to take around 10 days leave in early May, and volunteer towards any event being conducted anywhere in India.

Please do let us know where can we be available to help, and in the process also learn how to spread awareness on organ donation.

Thanking you,

Angeetha and Pranav
