Dear

Dr Sunil Shroff

I wish to express my sincere thanks and gratitude to your NGO for the awareness programme on Multi-Organ Donation, conducted on 15.03.2023 at the Aayakar Bhawan Complex, Chennai, which was very informative and enlightening. The programme has been organized in a meticulous and professional manner which led to a large number of participation of officers and staff of the Income Tax Department, Tamil Nadu and Puducherry.

2. You and your team deserve special appreciation for taking personal care and effort in making this programme a grand success.

3. I am sure you will lead your team to great success and reach many milestones in counselling, harvesting and coordinating multi-organ donation throughout the country. I convey my best wishes and look forward to seeing your future achievements in the very altruistic and unique humanitarian service that you are engaged in.
